

ISWM CAPABILITY STATEMENT

Federal solid waste collection, integrated solid waste management, and installation services

SAM ACTIVE | UEI DNZFX8MXB795 | CAGE 9GY08 | SDVOSB APPLICATION SUBMITTED - UNDER SBA REVIEW

FEDERAL MISSION FOCUS

Engedi LLC provides federal solid waste and installation-service capabilities centered on nonhazardous collection, integrated solid waste management, recycling and diversion, mobilization, and disciplined service execution.

CORE CAPABILITIES

Solid Waste Collection

Route design, collection scheduling, container planning, dispatch, mobilization, and nonhazardous waste-service execution for federal installations.

Integrated Solid Waste Management

Coordinated collection, disposal planning, service-level management, performance tracking, and installation waste operations.

Recycling & Waste Diversion

Recycling integration, waste-stream analysis, diversion planning and tracking, and contract-aligned operational reporting.

Installation Waste Operations

Staffing, field supervision, equipment planning and access, maintenance coordination, safety, mobilization, and transition planning.

SAFETY, QUALITY & PERFORMANCE

Contractor quality-control planning, performance tracking, inspection readiness, safety coordination, corrective-action discipline, and support for government surveillance requirements.
